- (4.8) Where an application for a permit remains incomplete or inactive or one year after it is made, the application may be deemed by the Chief Building Official to have been abandoned and notice thereof shall be given to the applicant.

5. Plans and Specifications

(5.1) Plans

Every applicant shall furnish sufficient plans, specifications, documents and other information with each application for a permit to enable the Chief Building Official to determine whether the proposed construction, demolition, change of use or occupancy conforms to the Act, the Building Code, Municipal By-laws and any other Applicable Law. The minimum number of plans to be submitted is two (2) sets. The Chief Building Official shall further determine the number of plans, specifications documents and other information required to be furnished with an application for a permit having regard for the requirements of any Act, regulation or By-law respecting the examination or circulation of the application. The plans submitted shall be legible and drawn to scale on paper, cloth or other suitable and durable material. If required by the Chief Building Official, the applicant shall provide working drawings as set out in Schedule "B" attached hereto and forming part of this By-law or as otherwise specified by the Chief Building Official.

- (5.1.1) Notwithstanding Section 5.1, As per the Ontario Building Code as amended, the Chief Building Official reserves the right to require certified plans from an Architect, Engineer or Designer in possession of a current B.C.I.N with the design activities being by an individual identified in OBC Vol. 1 Div. C, Table 3.5.2.1 for all structures.

(5.2) Site plans

The site plans submitted shall be referenced to a current survey certified by a registered Ontario Land Surveyor and a copy of the survey shall be filed with the Municipality unless this requirement is waived because the Chief Building Official is able, without having a current plan of survey, to determine whether the proposed work conforms to the Act, the Building Code, and all other applicable law. Site plans shall show: lot size and dimensions of the property

- i. setbacks from existing and proposed buildings to the property boundaries and to each other
- ii. existing and finished ground levels or grades
- iii. existing rights-of-way, easements and municipal services
- iv. existing and proposed entrances and exits
- v. the location and dimensions of required parking areas
- vi. culverts drainage patterns and watercourses
- vii. existing and proposed utility plants above grade, including poles and anchors
- viii. the legal description of the property, and if available, the municipal address

(5.3) On completion of the construction of a building, the Chief Building Official may require that a set of as constructed plans of the building or any class of buildings, including a plan of survey showing its location, be provided.

(5.4) The Chief Building Official may refuse an application if any of the above is deemed to be incomplete or insufficient at the time of application

(5.5) Plans, specifications, and other documents provided in accordance with this By-law or otherwise required by the Act become the property of the Municipality.

6. Equivalents

(1) Where an application for a permit or for authorization to make a material change to a plan, specification, document or other information on the basis of which a permit was issued, contains an equivalent material, system or building design for which authorization under Section 9 of the Act is requested, the following information shall be provided:

- a) a description of the proposed material, system or building design for which authorization under section 9 of the Act is requested
- b) any applicable provisions of the Building Code
- c) evidence that the proposed material, system or building design will provide the level of performance required by the Building Code.

7. Revision to Permit

After the issuance of a permit under the Act, notice of any material change to a plan, specification, document or other information on the basis of which the permit was issued, must be given in writing to the Chief Building Official together with the details of such change which is not to be made without his or her written authorization.

8. Transfer of Permit

If the registered owner of the land to which the permit applies changes, the permit is transferable to only upon the new owner completing a permit application, to the requirements of Section 4. The new owner shall then be the permit holder for the purpose of the Act and the Building Code and assume all responsibilities for compliance with the permit documents.

9. Refunds

(1) In the case of withdrawal or abandonment of an application, or the refusal or revocation of a permit, and upon written request by the permit holder, the Chief Building Official shall determine the amount of paid permit fees that may be refunded to the permit holder, if any, in accordance with Schedule "A" attached hereto and forming part of this By-law and the decision of the Chief Building Official is final.

(2) No refund shall be made after a period ending one (1) year or after the final inspection of a building, whichever occurs first.

- (3) No refund shall be made if the calculated refund for any individual permit is less than the prescribed Administration Fee noted in Schedule "A" of this By-law.
- (4) Except as provided above, there shall be no refund of permit fees where a permit has been revoked or transferred.

10. Revocation

The Chief Building Official may revoke a permit issued under the authority and subject to the provisions outlined in subsection 8(10) the Act.

11. Notice Requirements

- (1) Notices of readiness for inspection are required by Section 2.4.5. of the Building Code shall be given by the permit holder to the Chief Building Official for all mandatory inspections at least three (3) business days in advance of the stages of construction specified therein.
- (2) A notice pursuant to this section is not effective until written or oral notice is actually received by the Chief Building Official, by a Building Inspector or designate.

12. Payment of Fees

- 1) Fees for a required permit shall be as set out in Schedule "A" and are due and payable upon submission of an application for a permit. Where an application is made for a conditional or partial permit, fees shall be paid for the complete project.
- 2) No permit shall be issued, nor any inspection or inquiry requests be processed until the fees therefor have been paid in full.
- 3) Where the fees payable in respect of an application for a building or demolition permit issued under subsection 8(1) of the Act or a conditional permit under subsection 8(3) of the Act are based on the cost of valuation of the proposed work, the cost of valuation of the proposed work shall be as defined in this By-Law.
- 4) Where fees payable in respect of an application for a change of use permit issued under subsection 10(1) of the Act are based on floor area, floor area shall mean the total floor area of all story levels subject to the change of use.
- 5) The Chief Building Official may place a valuation on the cost of the proposed work for the purposes of establishing the permit fee, and where disputed by the applicant, the applicant shall pay the required fee under protest and, within six months of completion of the project, shall submit an audited statement of the actual costs satisfactory to the Chief Building Official and where the audited costs are determined to be less than the valuation, the Chief Building Official shall issue the appropriate refund.
- 6) Works carried out under the authority of the municipality are hereby exempted from payment of fees imposed in this section.

13. As Constructed Plans

The Chief Building Official may require a waiver of inspection from the architect or engineer and or a set of plans of a building or buildings as constructed, in any permit class category, to be filed with the Chief Building Official upon the completion of construction under such conditions as may be prescribed in the Building Code.

14. Code of Conduct

The Code of Conduct required under section 7.1-(1) of the Act shall be the "Employee Code of Conduct" which governs the conduct of all employees of the Municipality.

15. Offence/Penalty

- (1) Every person who contravenes any provision of this By-law is guilty of an offence.
- (2) Every person who is convicted of an offence is liable for a fine as provided for in the Provincial Offences Act, R.S.O. 1990, c.P.33.

16. Validity

Should any section, subsection, clause or provision of this By-law be declared by a court of competent jurisdiction to be invalid, the same shall not affect the validity of this By-law as a whole part thereof, other than the part so declared to be invalid.

17. Date of Effect

That this By-law shall come into force and take effect on this 25th day of May, 2023.

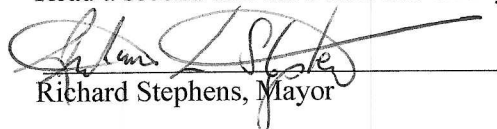

18. Repeal

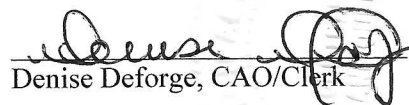

That any prior By-law relating to the content in this By-law be repealed.

19. Schedule "A", Schedule "B" and Schedule "C" are attached and form part of this By-law.

Read a first time on this 23rd day of March, 2023.
