That we recommend to Council to support the following resolution 45-23 by the Municipality of Shuniah:

THAT Council support the resolution put forward by the Town of Cobourg and the Municipality of Greenstone;

WHEREAS the Government of Ontario has enacted Bill 3 which is described as "An Act to amend various statutes with respect to special powers and duties of heads of Council;

AND WHEREAS this Bill will initially apply to the City of Toronto and the City of Ottawa but, according to a statement made by the Premier at the 2022 AMO annual conference, will later be expanded to include other municipalities;

AND WHEREAS this will give Mayors additional authority and powers, and correspondingly take away authority and powers from Councils and professional staff, and will include giving the Mayor the authority to propose and adopt the Municipal budget and to veto some decisions of Council;

AND WHEREAS this Bill will give authority over professional staff to the Mayor, including that of the Chief Administrative Officer;

AND WHEREAS these changes will result in a reduction of independence for professional staff including the COA, who currently provide objective information to the Council and public and will not take direction from the Mayor alone when the Mayor so directs;

AND WHEREAS these surprising and unnecessary changes to the historical balance of power between a Mayor and Council, and which historically gave the final say in all matters to the will of the majority of the elected Council;

NOW THEREFORE BE IT RESOLVED THAT Council for the Corporation of the Municipality of Shuniah passes this resolution to petition the Government of Ontario:

- 1. THAT these changes to the Municipal Act, 2001, are unnecessary and would negatively affect the Municipality of Shuniah; and*
- 2. THAT is the Ontario Government if the Ontario Government deems these changes necessary in large single-tier municipalities such as Toronto and Ottawa, that such changes should not be implemented in smaller municipalities; and*
- 3. THAT the Ontario Government should enact legislation clarifying the role of Mayor, Council and Chief Administrative Officer, similar to those recommended by the Ontario Municipality Administrator's Association and those recommended by Justice Marrocco in the Collingwood judicial inquiry of 2022; and*
- 4. THAT if the stated goal of this legislation is to construct more housing in Ontario that this can be accomplished through other means including amendment of the Planning Act and funding of more affordable housing;*
