

**Gore Bay Flying Club's  
Youth Pilot Training Scholarship**

**ARE YOU IN GRADE 10 OR 11? DO YOU WANT TO LEARN TO FLY?**

**Good news! The Gore Bay Flying Club's Youth Pilot Training Scholarship for this year is still open.**

Ground school with our instructor Wade Cook has started, but you can still join and be a candidate for this year's scholarship.

The GBFC scholarship will allow one recipient each year to take flying lessons and try their flight test for a pilot licence, covering all the costs except the \$150 for ground school supplies, thanks to generous support from the community. You could be this year's recipient.

Ground school (the classroom preparation for flying lessons), is held in the Gore Bay Fire Department building Monday evenings, on Highway 540B just north of the OPP station.

For more information about the Gore Bay Flying Club's Youth Pilot Training Scholarship, youth or their parents can contact the Club's Scholarship Co-ordinator Mark Wilson, or Club president Tim St. Amand, or Duncan Sinclair, at [GoreBayFlyingClub@gmail.com](mailto:GoreBayFlyingClub@gmail.com). And see [GoreBayFlyingClub.com](http://GoreBayFlyingClub.com) and [facebook.com/GoreBayFlyingClub](https://facebook.com/GoreBayFlyingClub).
