CLASS A	?????	?????
CLASS B	?????	?????
CLASS C	?????	?????

Note:

All conditions must be met in order to meet the classification. Where a condition is not met the next higher classification would be utilized (for example, where an operator meets all conditions for a Class A category except the wish to exceed the maximum of ???? days rental in any one year, they must apply for a Class B category). Where a classification category cannot be met, the STA would not be permitted without approval of a site-specific zoning by-law amendment.
