

THE CORPORATION OF THE TOWNSHIP OF CENTRAL MANITOULIN

BY-LAW NO. 2002-26

Being a By-law to Control Noise

WHEREAS it is expedient to exercise the power conferred upon the Council by the Environmental Protection Act, 1990, as amended, and other statutory authority; and

WHEREAS a recognized body of scientific and technological knowledge exists by which sound and vibration may be substantially reduced; and

WHEREAS the people have a right to and should be ensured an environment free from unusual, unnecessary, or excessive sound or vibration which may degrade the quality and tranquillity of their life or cause nuisance; and

WHEREAS it is the policy of the Council to reduce and control such sound or vibration;

NOW THEREFORE, the Council of the Corporation of the Township of Central Manitoulin enacts as follows;

1. Interpretation

In this by-law,

- (a) Construction - "construction includes erection, alteration, repair, dismantling, demolition, structural maintenance, painting, moving, land clearing, earth moving, grading, excavating, the laying of pipe and conduit whether above or below ground level, street and highway building, concreting, equipment installation and alteration and the structural installation of construction components and materials in any form of for any purpose, and includes any work in connection therewith;
- (b) Construction Equipment – "construction equipment" means any equipment or device designed and intended for use in construction or material handling, including but not limited to, air compressors, pile drivers, pneumatic or hydraulic tools, bulldozers, tractors, excavators, trenches, cranes, derricks, loaders, scrapers, pavers, generators, off-highway haulers or trucks, ditchers, compactors and rollers, pumps, concrete mixers, graders or other material handling equipment;
- (c) Conveyance – "conveyance" includes a vehicle and any other device employed to transport a person or persons or goods from place to place but does not include any such device or vehicle if operated only within the premises of a person;
- (d) Council – "Council" means the Council of the Corporation of the Township of Central Manitoulin.
- (e) Highway – "highway" includes a common and public highway, street, avenue, parkway driveway, square, place, bridge, viaduct or trestle designed and intended for, or used by, the general public for the passage of vehicles;
- (f) Motor Vehicles – "motor vehicle" includes an automobile, motorcycle, and any other vehicle propelled or driven otherwise than by muscular power, but does not include the cars of electric or steam railways, or other motor vehicle running only upon rails, or a motorized snow vehicle, traction engine, arm tractor, self-propelled implement of husbandry or road-building machine within the meaning of the Highway Traffic Act;
- (g) Motorized Conveyance – "motorized conveyance" means a conveyance propelled or driven otherwise than by muscular, gravitational, or wind power.
- (h) Municipality – "municipality" means the land within the geographic limit of the Township of Central Manitoulin;
- (i) Noise – "noise" means unwanted sound;
- (j) Persistent – repetitive and lasting longer the one hour
- (k) Point of Reception – "point of reception" means any point on the premises of a person where sound or vibration originating from other than those premises is received;

Zone in this By-law

- (a) Residential Area – “residential area” means those areas of the municipality specified as follows:

All areas zoned as HR (Hamlet Residential)
 RHM(Hamlet Residential Multiple)
 S (Settlement)
 SR(Shoreline Residential)
 I (Institutional)

In the Comprehensive Zoning By-law No. 2002-07 of the Township of Central Manitoulin

- (b) Quiet Zone – “quiet zone” means those areas of the municipality within 50 metres of buildings specified as follows: Hospitals, schools, funeral parlours, churches, senior citizens units, institutional units.
- (c) All Other Zones – All other Zones shall mean all zones other than specified in (a) and (b)

2. General Prohibition

No person shall emit or cause or permit the emission of sound resulting from an act listed herein, and which sound is clearly audible at a point of reception:

- (i) Racing of any motorized conveyance other than in a racing event regulated by law.
- (ii) The operation of a motor vehicle in such a way that the tires squeal.
- (iii) The operation of any combustion engine or pneumatic device without effective exhaust or intake muffling devices in good working order and in constant operation.
- (iv) The operation of a vehicle or a vehicle with a trailer resulting in banging, clanking, squealing, or like sound due to improperly secured load or equipment, or inadequate maintenance.
- (v) The operation of an engine or motor in, or on, any motor vehicle or items of attached auxiliary equipment for a continuous period exceeding five minutes, while such vehicle is stationary in a Residential Area or Quiet Zone unless:
 - i. The original equipment manufacturer specifically recommends a longer idling period for normal and efficient operation of the motor vehicle in which case such recommended period shall not be exceeded;
 - ii. Operation of such engine or motor is essential to a basic function of the vehicle or equipment, including but not limited to, lift platforms and refuse compactors;
 - iii. Prevailing low temperatures make longer idling periods necessary immediately after starting the motor or engine;
 - iv. The idling is for the purpose of cleaning and flushing the radiator and associated circulation systems for seasonal change of antifreeze, cleaning of the fuel systems, carburettor or the like, when such work is performed other than for profit.
 - v. The operation of a motor vehicle horn or other warning device except where required or authorized by law or in accordance with good safety practices.
 - vi. The operation of any items of construction equipment in a Quiet Zone or Residential Area without effective muffling devices in good working order and in constant operation.

3. Prohibitions by Time and Place

No person shall emit or cause or permit the emission of sound resulting from any act listed in Schedule A, if clearly audible at a point of reception located in an area of the municipality indicated within the prohibited time shown for such an area on Schedule A.

4. Exemption – Public Safety

Notwithstanding any other provision of this by-law it shall not be unlawful during or an emergency to emit or cause or permit the emission of sound or vibration in connection with emergency measures undertaken:

- (a) For the immediate health, safety or welfare of the inhabitants of any of them; or
 - (b) For the preservation or restoration of property;
- unless such sound or vibration is clearly of a longer duration or nature more disturbing, than is reasonable necessary for the accomplishment of such emergency purpose.

- Public Events

Notwithstanding any other provision of this by-law it shall not be unlawful during a public event to emit or cause or permit the emission of sound or vibration in connection with the event:

- (a) For the activities of the event unless such sound or vibration is clearly of a longer duration or nature more disturbing, than is reasonably necessary.

5. Grant of Exemption by Council

(a) Application to Council

Notwithstanding anything contained in this by-law, any person may make application to Council to be granted an exemption from any of the provisions of this by-law with respect to any source of sound or vibration for which he/she might be prosecuted. Council, by Resolution, may grant or refuse to grant an exemption. Any exemption shall specify an in effect time period, not in excess of six months and may contain such terms and conditions as Council sees fit.

(b) Decision

In deciding whether to grant the exemption, Council shall give the applicant and any person opposed to the application an opportunity to be heard and may consider such other matters as it sees fit.

(c) Breach

Breach by the applicant of any of the terms or conditions of any exemption granted by Council shall render the exemption null and void.

(d) Severability

If a court of competent jurisdiction should declare any section or part of a section of this by-law to be invalid, such section or part of a section shall not be construed as having persuaded or influenced Council to pass the remainder of the by-law and it is hereby declared that the remainder of the by-law shall be valid and shall remain in force.

(e) Penalty

Any person who contravenes any of the provisions of the by-law is guilty of an offence and upon conviction is liable to a fine of \$ 1,000.00 or any corporation which contravenes any of the provisions of the by-law is guilty of an offence and upon conviction is liable to a fine of \$ 3,000.00 as provided for in the Provincial Offences Act.

Read a first, second and third time and finally passed in open council on this 16th^t day of December, 2002.

Reeve

Clerk

I, Ruth Frawley, Clerk of the Township of Central Manitoulin, hereby certify that the foregoing is a true copy of By-Law No. 2002-26 passed by the Council of the Township of Central Manitoulin on the 16th day of December, 2002.

Ruth Frawly, Clerk
